

All United States Kendo Federation (AUSKF) & Pacific Northwest Kendo Federation (PNKF)

1. Visit www.unitedstateskendo.com (AUSKF) .
2. Find and click on the “Log in” button.
3. Select the “Register” option. Register with the federation and note the membership ID number you are assigned. *Please save this ID number somewhere!* (Note: if you are a parent or guardian, each child will require a separate account and an individual ID number; the same email address for contact may be used.)
4. The easiest method is to pay federation dues online. If you are unable/unwilling to do this, please bring cash or a check with you to the dojo for the proper amount. The check should be made out to “Seattle Kendo Kai” (we will then turn around and pay the federations). Please bring a copy of the cost breakdown to turn in with the payment.
5. Note: AUSKF views phone number and emergency contact information as “optional” but PNKF would like you to enter that information so that they have a way of contacting you in case of an emergency.

Application forms

1. Visit www.seattlekendo.org (SKK) .
2. Go to the Membership page and download both the “Seattle Kendo Kai” application form and the “Regional & National Federation” application form.
3. Use the membership ID number you received from the AUSKF site (see above) as you fill in both forms.
4. Bring cash or a check to pay for club dues. Checks should be made out to “Seattle Kendo Kai” (the dues structure is outlined on our website; if you have questions, use the “Contact Us” option).
